

ATTENTION CLASS OF 2011!

Plan to have your **SENIOR PORTRAIT** for the yearbook taken as soon as possible.

Please note that yearbook photos must comply with the following specifications and must be mailed, submitted digitally, OR put into the yearbook mailbox in the main office by:

JANUARY 14, 2011

Yearbook's primary goal for the senior section is to include an individual portrait of each senior. Should you choose not to have formal portraits taken, please have your regular school ID picture taken at registration, and/or see Dr. Korach about having a yearbook photographer take your picture with our digital camera.

THANK YOU,
